An employee at the Jueterbog-Altes Lager (N 52/E 69) airfield construction bureau made the following statements:

The wooded area north of Niedergoersdorf (N 52/E 68) is being cleared.* Temporary huts to serve as billets for 1,500 workers are scheduled to be built on the clearing. A total of 3,000 workers will be employed. The construction work is scheduled to be completed in two years. Construction plans are not yet available at the construction bureau. Money for the bureau will be transferred [redacted] in Potsdam (N 53/Z 63).** A house for an engineer bureau has been requisitioned in Niedergoersdorf. A contract for two years has been concluded with the owner.

25X1A [redacted] Comment:

- * The reported clearing of the woods north of Niedergoersdorf confirms previous information of 4 January 1950,*** according to which a runway is to be built and the airfield is going to be expanded toward the west.

**

[redacted] in Potsdam. A Soviet Army administrative unit is probably concerned.
